Subject: Requesting Permission for Industrial Internship eHub Experts.

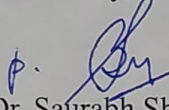

Respected Sir/Ma'am,

GSFC University is committed to provide teaching and training in the field of education and make provisions for industrial research, advancement and dissemination of knowledge. In the pursuit of our vision to prepare industry ready students, Industrial Internship and BTech projects are integrated parts of our curriculum for fulfilling the partial requirement of Bachelor of Technology degree.

It is requested to kindly allow Nupur Patel (22BT04075) of 2nd year BTech Computer Science & Engineering of GSFC University - Vadodara for undergoing Industrial Internship at your esteemed organization from 18/12/2023 to 18/1/2024. The purpose behind providing industrial internship is to let the students understand the application of the technical courses in the industries.

Looking forward to your positive response.

Yours truly,

12/12/23
